HEZE

Glory on National Day 2024, cheer for the motherland

In this quiet and solemn moment, we softly express our respect in our hearts, count the passage of time, and feel the pace of national rejuvenation.

Customized Window Covering

FULL RANGE OF CUSTOMIZATION

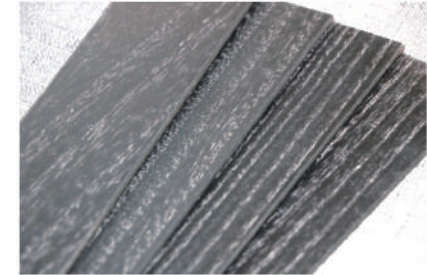

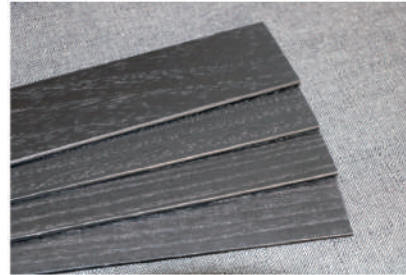

We have more than 10 years of professional sales experience and are committed to providing customers with the highest quality service support. Our sales team responds with extensive

Matt Color Paulownia Blinds

Matt and stained color venetian blinds It is a modern masterpiece with the ultimate experience and fashion. Whether it is exquisite matte drawing or exquisite drawing process, every inch of detail can achieve the ultimate process and taste experience.

PVC Stile With Engineered Wood Core

The outer layer of the door frame is water-proof and wear-resistant, and the inner core is tough and stable, which not only improves the beauty, but also ensures the structural strength, which is the ideal choice for home decoration.

Ready Made PVC/Fauxwood Blinds High Temperature Aging Test Chamber

Through high temperature aging test, this test chamber accurately simulates harsh environments, effectively helps our products durability and quality, and is an ideal choice for research and development and quality control.

"Temperature changes in winter affect the process. How to control quality through time and assembly details?"

As winter approaches, the glue drying time will be extended due to temperature changes. We always adjust our processes according to the seasons to ensure strict quality control at every step to provide you with stable and reliable products.

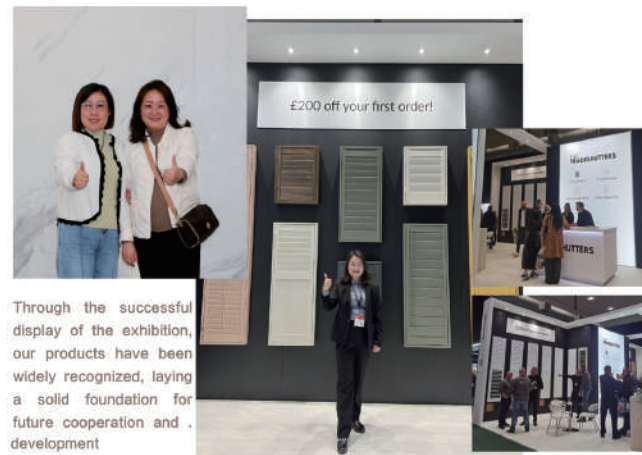

"Care starts from the details to create a new comfortable dining experience – a new blind upgrade!"

After busy work, workers need a dining space to relax and enjoy a moment of tranquility. In order to provide every employee with a more comfortable dining experience, we have specially upgraded the venetian blinds in the restaurant.

BBSA Successful Conclusion

Through the successful display of the exhibition, our products have been widely recognized, laying a solid foundation for future cooperation and development

Looking forward to the BIG 5 in December
